Hi Peter,
We have been discussing 404(c) quite a bit internally at all levels of EPA. This letter will certainly stoke the fire. I look forward to talking with you in the near future.

Subject: Bristol Bay Native Corporation 404c letter

Phil,

Attached to this email please find a letter from the Bristol Bay Native Corporation requesting that EPA use its authority under Clean Water Act Section 404(c) to prohibit the discharge of mine waste material into certain lands in the watershed of Bristol Bay. Pebble Limited Partnership is proposing a massive mine in this area, and BBNC believes that the proposed mine has an unacceptable risk of adverse impacts on critical area resources. I also attach a press release on the matter.

Please let me know if you have any questions, and I look forward to catching up with you in the coming days.

Best,
Peter Van Tuyn
